TABLES OF GRAZING FEES
FOR THE NATIONAL FOREST RESERVES.

1906.

U. S. DEPARTMENT OF AGRICULTURE,

FOREST SERVICE,

Washington, D. C., February 26, 1906.

TO FOREST OFFICERS:

The tabulated rate schedules herewith presented have been prepared for the purpose of assisting forest officers in computing the amount to be charged for grazing permits. By their use much time will be saved, uniformity in the amount of charges will be preserved, and liability of making mistakes will be greatly lessened.

Each schedule gives the correct amount to be charged for any number of animals, by units from 1 to 100, by hundreds from 100 to 900, and by thousands from 1,000 to 10,000. If the number of stock is less than 100, or is even hundreds or even thousands, the amount of the charges will be found immediately upon reference to the schedule. If the number of stock is a combination of hundreds, tens, and units, or of thousands, hundreds, tens, and units, the amount of the charge will be found by adding together the charges for the thousands, hundreds, tens, and units.

For example, to find the charge on 1,682 head of cattle at the rate of 25 cents per head, for a Montana forest reserve: First, the charge on the 60 head entitled to half-rate, by reference to the 12½-cent schedule, is found to be \$7.50; by reference to the 25-cent schedule, the charge for the remainder under 100, or 22

head, is found to be \$5.50; the charge for 600 head, \$150, and the charge for 1,000 head, \$250. By adding these amounts together the total charge for grazing 1,682 head of cattle will be found, as follows:

60 at half rate, 12½ cents per head.....	\$7. 50
22 at full rate, 25 cents per head	5. 50
600 at full rate, 25 cents per head	150. 00
1,000 at full rate, 25 cents per head	250. 00
<hr/>	
1,682 Total charge.....	413. 00

It is urgently requested that all forest officers use the rate schedules as fully as possible.

GIFFORD PINCHOT,
Forester.

REVISED REGULATION CONCERNING GRAZING FEES.

REG. 27. All grazing fees are payable for each year strictly in advance. When an applicant for a grazing permit is notified by the supervisor that his application has been approved, he will remit the amount due for grazing fees to the Special Fiscal Agent, Forest Service, Washington, D. C., within thirty days from the date of the notice, and upon return of the receipt to the supervisor a permit will be issued allowing the stock to enter the reserve and remain during the period specified.

Whenever the date of approval is more than sixty days previous to the opening of the grazing period for which an application has been approved, the grazing privilege will be reserved upon payment of 20 per cent of the grazing fee within thirty days from the date of approval; and provided the balance is paid at least thirty days previous to the opening of the grazing period the permit will be issued. No permit will be issued until payment in full has been made.
